

BEST AVAILABLE COPY

The screenshot displays the CPA InProTech 3.1.6 software interface. The main window is titled 'Properties' and shows details for a patent case. The 'Basic' tab is selected, displaying the following information:

- Docket No.: DO-P780US/10310561
- United States Patent: Properties
- Application No.: 10/737,045
- Pending

Below this information, there are several controls and tables:

- Action:** A dropdown menu with 'Refresh' and 'Police' buttons. Checkboxes for 'All Events' and 'Show Ad-hoc Reminders' are also present.
- Created Actions Table:**

Created Actions	Cycle	Status	Criteria
Overview	1	Pending	160593
Examination/Prosecution	1		160557
- Display Event Cycles:** Radio buttons for 'All' (selected) and 'Most Recent'.
- Show All Event Details:** A checkbox.
- Event Table:**

Event	Event Date	Due	Next Police	Cycle	Event T
File Information Disclosure Statement	16-Apr-2004			1	
Notice of Allowance Mail Date	30-Aug-2005			1	
Notice of Allowability Received	30-Aug-2005			1	
Review Notice of Allowance	10-Oct-2005			1	

At the bottom of the window, there is a 'Display Ad-hoc Reminders' checkbox and buttons for 'CAPS' and 'NUM'.

The taskbar at the bottom shows the following open applications: Start, CPA Inprotech, CASMAINT - CaseSelect, CASMAINT - CaseSe..., and Reports - Case. The system clock indicates 3:13 PM.
